BUYING A TRAIL PERMIT

Individuals 16 years of age and older using ATVs (all terrain vehicles) and OHMs (off-highway motorcycles) are required to have a Wayne National Forest permit, valid state driver's license and stay on designated trails. Permits should be visibly displayed. Vehicle must also be registered with the Ohio Bureau of Motor Vehicles.

Permits are sold to a specific individual and may be used for any number of vehicles by that individual. A map of the four ATV/OHM trail areas is included with the purchase of a trail permit. NO ATV riding is permitted on the Marietta Unit.

THERE ARE THREE TYPES OF PERMITS:

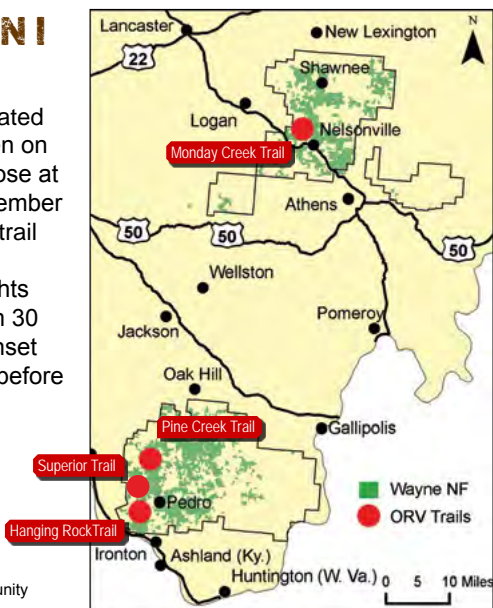

- SEASONAL - Permit is good for the trail season: April 15th through December 15th.
- 3-DAY - Permit is good for any three-day ride. The dates are punched on the permit. A three-day period is defined as from midnight (12:01 am) of the first day to midnight of the third day (11:59 pm).
- DAILY - Permit is good for a one-day ride (from 12:01 am-11:59 pm).

PERMIT VENDORS:

Trail permits are available from any Wayne National Forest office or from a variety of local and online vendors. A list of vendors and current pricing are posted on the web at: www.fs.usda.gov/wayne under Passes & Permits. Follow us on Twitter @waynenationalfs

WHEN CAN I RIDE?

All four designated trail systems open on April 15th and close at midnight on December 15th. During the trail season you may ride anytime. Lights are required from 30 minutes after sunset until 30 minutes before sunrise.

USDA is an equal opportunity provider and employer.
